*Gain new experiences
and life skills.*

Anyone can offer to volunteer in a school or preschool. People from all ages and backgrounds can contribute by sharing their life skills and experiences.

There are many areas where schools and preschools could do with your help. Assist students with reading, be a mentor, coach the sports team, lend a hand on an excursion, share your knowledge of gardening, or help out in the canteen or library.

It's easy to volunteer. Just contact the school or preschool you wish to volunteer with and let them know you are interested.

A staff member will meet with you to discuss your areas of interest and guide you through the process. The school or preschool will also provide you with the necessary training required for your role.
