THIS IS A SAFE PLACE

The Education Department is supporting all education sites to be safe places. This not only includes safety for students but also for staff.

We have procedures in place to support students. The Department has now set procedures to ensure staff safety. Workplace violence includes verbal and physical abuse, threats of violence and aggression, and assault. Our staff is always happy and willing to work on resolving any issues in a calm and respectful manner. We ask that you call us and make a meeting time if ever you have the need for this. Staff will not be responding to abusive phone calls or participate in meetings that become aggressive or threatening.

We are all role models for our students. Let's teach them how to resolve issues in a respectful and positive manner.

SHOWCASE REMINDER

Our School Showcase this year, which was listed on our school term planner on 18th September, will now be available in the beginning of Term 4 in a virtual mode. Staff and students are currently putting together videos of their work, which will be collated into a whole school video of 'The Arts in STEM'. There are some exciting projects that the students are working on such as, Stop Motion Movies, 3D Math Sculptures, Fair Ground Rides, Maths Wall Art, Movies demonstrating Force, and lots more. There is a high level of engagement, learning, and fun being had by all.

ATTENDANCE

We continue to encourage all parents and caregivers to please inform the school of any student absences. It is a legal requirement to have parent/caregiver notification and reasons for student absences. Class teachers will contact you if they need to follow up unexplained absences by either making a phone call, messaging through Class Dojo /SeeSaw or sending home the school 'yellow' absentee note. Alternatively you can phone the school, notify through Skoolbag app or text your message on **0439 482 982**.

STAFF NEWS

Ms Gail Painter is now on Maternity Leave. We wish her and her partner Mark a safe and healthy delivery of their first child. We will keep you posted once we hear any news. Gail's replacement will be announced soon.
