BRIXPO - Adelaide's fan-built LEGO® model exhibition is back for 2021 in a new larger venue, the St Clair Recreation Centre in Woodville.

Kids and adults alike will enjoy the spectacular LEGO® displays built by the Southern Bricks LEGO® User Group. With over 100 displays there is something for everyone including trains, Star Wars, castles and more.

Meet Trent, Josh and Jodie from LEGO® Masters

BRIXPO 2021 has staggered entry sessions to avoid over-crowding in the venue. The venue will be cleared between each 105 min session.

Our aim is that everyone no matter how big or small is able to view all the displays and stay COVID safe - leaving with a smile on their face and a bunch of creative ideas for their next build. Be quick as popular entry times will sell out.
