FACEBOOK

Some of you may already be aware that we have a school FB page. We have started posting some class activities on this site. Please check in and see what is happening. Also remember that students also see this so only appropriate comments, giving our students a good example of respectful online use.

STUDENT COMMUNITY SAFETY & WELLBEING

A reminder to families that Tenterden and Evan St are voluntary one way access at pick up and drop off time.

Charles Sturt Council and Police has been notified of some issues relating to cars parked in the wrong area and blocking traffic flow and aggressive behaviour exchanged between some adults at drop off and pick up times. We ask parents and carers to be aware of their interactions with each other, especially when students are present. Any notifications made to the school of inappropriate adult behaviour will be reported to the respective authorities. We are a safe place and students are entitled to have adults modelling these safe behaviours.

We're all responsible
for this being a safe
place to work and learn
