- **Student enrolment trends:**
Enrolment trends show a slight decrease due to low birth rates in relevant years and families seeking affordable housing. We can have high level of transience partly due to families in rental accommodation, DV and housing crisis. Our numbers are stable, and we will continue to grow with our new OSHC provider and engaging music and sports curriculum showing continuity of learning through to our feeder high schools. Our students enjoy an array of extra-curricular activities we are offering at WPS. As the borders reopen to International Students, we are seeing an increase in our International Student program. With the updated playgrounds and facilities implemented throughout the year we envisage an increase in enrolments.
- **Staffing numbers (as at February census):**
 - Staffing for 9 classes R-6 in Term 2 2023
 - Tier 2 staffing supports.
 - Aboriginal Education .4
 - Science (NIT) .8
 - Health and Physical Education (NIT) .6
 - Indonesian (NIT) .4
- **Public transport access:** Bus stop no. 22 on Port Rd – routes: 151,152,153 and 155.

2. Students (and their welfare)

- **General characteristics:**
Woodville Primary School is a category 4 school in terms of Educational Disadvantage. Woodville has a high number of families who are school cardholders or who have a Non-English speaking background. There are a high number of students with an ATSI or English as a second language or require inclusive learning support. Our CAMP Australia OSHC program supports our community by providing families with an interactive Rocketeers program during BSC, ASC and school holiday vacation care.
- **Student Well-being programs**
The Woodville Primary School student behaviour education process is based on DfE policy and is underpinned by Play is the Way philosophy, Positive Behaviour Support and Restorative Practices. Positive Behaviour Education is based on logical consequences, conflict resolution and empowering students with consistent, explicit language. Students are supported to take control of their behaviour and emotions by making strong choices, use the introception room, chill corners and check in with teachers using the 'Zones of Regulation' to build positive relationships to achieve success and connection within the school community.

At Woodville Primary School we foster a positive school community that is:

- Safe
- Inclusive
- Supportive

We foster responsible behaviour by:

- Implementing pedagogy of the "Play is the Way" program
- Developing and maintaining positive relationships
- Using a common language and consistent approach

- Explicitly teaching and modelling school values and behaviours
 - Explicitly teaching social skills and anti-bullying strategies
 - Using restorative practices to work towards repairing relationships
 - Implementing the “Let’s Start” program for the first two weeks of the year
- **Student management**
To ensure the safety and wellbeing of all members of the community, Woodville Primary has a whole school behaviour policy that clearly outlines:
 - Responsibilities for the school, child and families
 - Expectations for the classroom, school and wider community in the areas: learning, communication, relationships, movement, safety, dress code, attendance, property and environment
 - Incidents are followed through in adherence to our procedures that work in line with our school values
 - Consequences for inappropriate behaviour in the classroom, yard and when out in the community are dependent on the developmental stage of the student and the nature of the behaviour. Students are encouraged to make strong decisions independent of authority.
 - **Student government:**
Student Leadership is made up of 2-4 school captains who host special events for family, government, or department projects. The school has 2 school house Leaders representing our 4 house teams. Each class has 2 class student council representatives who meet fortnightly with the Student Wellbeing Leader to represent whole school student voice.
 - **Special programmes:**
Each class is assigned a Buddy Class to develop community within the site and work on projects happening within the school that align with the curriculum.
Our Upper Primary years mentor students at playtimes by operating a PALS program by organising interactive activities for younger students to access.
Students volunteer their time in the community to help develop responsibility and promote giving back something to our community.
Our Wellbeing Leader works with a Pastoral care worker 2 days a week to support student’s wellbeing and provide activities at playtime.

3. Key School Policies

Site Improvement Plan and other key statements or policies:

The school values of Respect, Trust, Co-operation & Fairness form the basis of active learning for all. The educational program is committed to a caring environment and equity, empowerment, independent thinking, excellence, and individuality. The core business of the school is learning and teaching in a safe and supportive environment. This is supported by the school’s policies and practices in relation to monitoring student achievement, student behaviour management, countering harassment and bullying, monitoring students’ attendance and student safety.

- **Student Review**

Twice per year, the learning and wellbeing progress of all students is reviewed by staff. The review undertakes to analyse each student in depth using a range of data collection and professional reflection. The review is undertaken by class teacher along with other staff supporting the cohort of students. The review directs the work of the intervention staff, informs the work of the class teacher and provides a strategic and long-term information base for staff on every enrolled student.

- **Recent key outcomes:**

- 84% of Year 1 students reached Phonics achievement
- Restorative Park Bench constructed onsite with grant 'Bully No Way' money
- In 2021 the school consulted with students, staff and families to develop a new school logo and school uniform to rebrand the school as R-6 with the transition of Year 7 students moving into High School. The school is proud of our inclusive design of the coming together Aboriginal symbol behind our school tree whilst incorporating the school values into a shield design.

4. Curriculum

- **Subject offerings:**

English, Mathematics, Science, Health and Physical Education, Science, Technology, Humanities and Social Sciences, The Arts and Indonesian (LOTE). The Australian Curriculum is the foundation of our curriculum.

11. Local Community

General characteristics

- The residential areas immediately surrounding the school have been long established and a small number of children from successive generations of the same families have attended the school. While the Queen Elizabeth Hospital is the major local employer and many parents work there in some capacity, there are small pockets of light industrial activity in surrounding streets. Although most students live in families where English is spoken, we have a significant number of students from Aboriginal, Polish, Greek, Indian, Vietnamese and African cultures. Students at Woodville live in a variety of family structures. A number of our families qualify for School Card and we have increasing numbers of transient students. Rather than being homogeneous, the Woodville community has a richness of diversity and brings a range of experiences.

Parent and community involvement:

- Parents are strongly committed to the school. They are involved in classrooms, the Resource Centre and canteen. There is a strong Governing Council and parents are actively involved in the sub-committees: Finance, Canteen, Dress Code, OSHC, Fundraising, Grounds, and Organised Sport.

Feeder or destination schools:

- Our local pre-schools/kindergartens centres are main feeder facilities to Woodville and these include Adelaide Miethke Kindergarten, Woodville West Kindergarten, St. Margaret's Kindergarten, QEHCCC (Queen Elizabeth Hospital Child Care Centre) and a pre-school/child care program Woodville Day Care Centre. Transition is made to a range of Secondary school including Woodville, Findon, Seaton and Adelaide High Schools. A small section of students – about 15% - make the transition to Independent or Catholic secondary schools.

Commercial/industrial and shopping facilities

- The Queen Elizabeth Hospital is within 2-minute walk and accessed via Woodville Road by pedestrian traffic lights.
- The City of Charles Sturt maintains offices and public library in nearby Woodville Road adjacent to the railway station. St Clair Recreation Centre and Woodville High School are located a further 1km north of the railway line.
- Family and Youth Services (FAYS) and Child and Adolescent Mental Health Services (CAMHS) are sited nearby.
- Sporting facilities at Woodville Oval include cricket, football, lawn bowls and tennis.

Local Government body

- **Local Government body**

The City of Charles Sturt offices are located at 72 Woodville Road, Woodville telephone (08) 8408 1111 for general enquires.

- **State and Federal Government**

Woodville Primary School is in the Federal seat of Port Adelaide and the State seat of Cheltenham.

12. Further Comments

Woodville Primary School is situated 6 kilometres northwest of the City of Adelaide. It is a Reception to Year 6 School with a long and proud history of public education.

Significant history

In 1978 the history of the school was documented to mark its centenary year. The booklet outlines the school's significant role in shaping the history of the surrounding local area and its residents. The school celebrated its 130th birthday in 2008.
